

Kenmure Castle & Loch Ken, New Galloway

689/17

Aug 12/13 Tues.

This is my altitude for the  
next 2 months. Very  
lovely - but very lonely  
& dull. So far the weather  
is glorious. I came last  
Thursday - after paying  
4 day visit in the north of Scot.  
What are you up to? or  
where are you off to?  
Probably you know  
that Momen is in Switzerland  
Disenteris - you might write  
me occasionally. I feel such  
worlds away from everybody.  
Love to you both. F.M.B. -
